

Our flagship center console-style layout bridges the demands for serious sport fishing and blends family-friendly features to accommodate a multitude of boating adventures. Built on the wildly successful 390 platforms, the 392 Tarpon underwent an exhilarating design makeover that incorporates the D-Leg hard top w/integrated windshield, the optional summer kitchen trend, and a host of electronic push-button controls that offer a sophisticated, yet intuitive level of convenience, comfort, and technology.

Anglers find the interior fish-fighting space extremely generous, with no shortage of strategically placed rod holders and rocket launchers. Bait prep stations, built-in tackle box drawers, storage compartments, three insulated overboard draining fish boxes, and baitwell set the stage for offshore angling. The large fuel capacity provides plenty of range, even in a triple outboard configuration.

From the gleaming hull, upgraded seating to versatile bow seating that converts into a sunpad, dinette, or forward casting platform, this Tarpon includes a three seat helm station with our best designed layout ever.

# 392 TARPON

## SPECIFICATIONS

Length	39' 0"
LOA (Approx. w/ Engines)	41' 0"
Beam	12' 6"
Fuel Capacity	410 Gal
Fresh Water Capacity	40 Gal.
Weight (Dry w/ Stnd. O/B).	13,400 lbs.
Bridge Clearance w/Stnd. Top	11' 0"
Max HP.	1050

*Measurements and Weights are approximate.*

## PERFORMANCE

Suzuki Triple 350 FS

RPM	MPH	MPG
3,500	30.5	1.0
4,500	41.9	0.8
WOT	56.5	0.5

*Performance may vary due to changes in conditions.*

## DECK

- Aft Cockpit Seat, Stamas Standard Folding
- Anchor Windlass w/Rope/Chain/Stainless Steel Anchor
- Compass, Illuminated
- Console Footrests
- Flip Down Passenger Footrest
- Fresh Water Pressurized System
- Seating, FWD Deck w/Cushions and Table
- Transom Shower
- Transom Door
- Bolsters, Full Perimeter
- Wash-down, Raw Water

## TOPS

- Hard Top, D-Leg T-Top w/Full 3 Sided Windshield;
- Speaker Pods, Rod Holders, Spreader Lights and Powder Coated Frame

## INTERIOR
